Conservation Commission Minutes**

April 25, 2018

11:00 AM

Kelly Drake Conservation Area

Members present: R. Leroux, T. Simpson, G. DuBois

Commissioners met at the cellar holes of the Kelly Drake Conservation Area to determine the area adjacent to the cellar holes to be brush hogged and maintained throughout the summer. We agreed to contact two individuals who are interested in brush hogging the area.

Leroux and Simpson arranged to meet and do further site work in preparation for brush hogging the area agreed to.

Meeting adjourned when the rain began to fall at 12:00 noon.

Respectfully Submitted,
Gordon DuBois, Commissioner
