## NEW HAMPTON GARDEN CLUB

New Hampton residents, Ginny Haas and Gene Otis, were honored by the New Hampton Garden Club at the New Hampshire Federation of Garden Clubs Inc. annual meeting held at the Manchester Country Club on May 25, 2016. Ginny was presented a Silver Seal Certificate which reads: Ginny is a long time member of our club and has filled several positions including Recording Secretary and President. She also served as NHFGC Recording Secretary under President Jean Thompson. Her willingness to participate in and support our activities is truly appreciated. She provides an historical perspective on club activities and has always been a guiding force. Her quiet, soft-spoken manner and her positive input make her a valuable asset to our club.

Gene was presented the NHFGC District I Community Star Award for 2016. Mr. Otis, a long time resident of New Hampton and our former Post Master, has donated countless hours, expertise and materials in support of our club and our community. He constructs signs for any and all of our endeavors; he made a game board for a children's bean bag toss for our booth at Old Home Day, his "sandwich board" signs help promote our efforts and he always donates hand crafted items for us to sell or to donate at our annual sales. Whenever we need a picture frame, a birdhouse or a sign he is there and will whip it up in no time at no expense. For years he has mowed the grass around our Friendship Garden and he recently made a sign for our new Garden of the Month project. Mr. Otis does not do these things to promote a business or for tax credits, he simply uses his skills and his generosity to support our club and our community. We feel strongly that his efforts and his continued support merit the Community Star Award.
