

New Hampton Hazard Mitigation Committee

Town Offices

August 29, 2008 – 2:30 – 4:00 PM

AGENDA

1. Sign-in & Review
2. Identify Gaps in the Existing Policies/Protections
 - a. Review the list generated by LRPC
 - b. Supplement that list of Gaps
3. Brainstorming Disaster Mitigation Alternatives
 - a. Distinguish between a “Mitigation Action” and a “Response Action”
 - b. Develop potential Mitigation Actions for the identified Gaps
4. Rating the Disaster Mitigation Alternatives using the “STAPLEE Method”
 - a. Outline the STAPLEE Prioritization process and its purpose.
 - b. Determine the method by which each committee member can submit their prioritization ratings.
5. Next Steps
