**LOCAL POLICE DEPARTMENTS WORK WITH DEA FOR
THE COLLECTION OF UNUSED, EXPIRED AND
UNWANTED PRESCRIPTION DRUGS
NEW HAMPTON PUBLIC SAFETY BUILDING
Saturday, April 28, 2012 from 10am to 2pm**

This spring, the Drug Enforcement Administration (DEA) and its national and community partners will give the public another opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs.

On Saturday, April 28th, from 10 a.m. to 2 p.m., DEA and its partners will hold their second National Prescription Drug Take-Back Day at sites nationwide. During this timeframe any pharmaceutical (prescription or over-the-counter) drug may be dropped off at the locations listed below. The service is free and anonymous--no questions asked. All efforts will be made to protect the anonymity of those disposing of the medications and no requests for identification will be made by police. Intravenous solutions, injectables, syringes and aerosol inhalers will not be accepted. Once collected, the drugs will then be turned over to the DEA and destroyed.
