WELCOME TO THE “NEW HAMPTON CONNECTION”

E-mail notices will be sent from this office with dates, locations and times of Town Meetings, special meetings, special events, and other important town events or information. We hope you will find these notices helpful. These e-mails will not provide notice of regular scheduled meetings, deadlines, holiday hours, general information, etc. For such scheduled information, please check the town web site www.new-hampton.nh.us or call the Town Office at 744-3559. All public meeting notices are posted at the Town Office and Public Works Department. All town newspaper notices are placed in the Laconia Daily Sun.

Please talk with other New Hampton residents who may not have been contacted to see if they are interested in receiving these e-mails. I also would encourage you to get the “word out” about important information to those who may not have e-mail.

If at some future time you change your e-mail address or you wish to be removed from the list please send an e-mail to blucas@new-hampton.nh.us.

HAZARDOUS WASTE COLLECTIONS

2014 HHW Collections

July 26th	August 2th
8:30 am - Noon	8:30 am - Noon
Belmont Fire Station	NH DOT Garage, Bristol
Franklin Public Works Garage	Laconia Public Works Department
Gilford Public Works Department	Moultonborough Hwy Garage
Meredith Public Works Department	Ossipee Hwy Garage

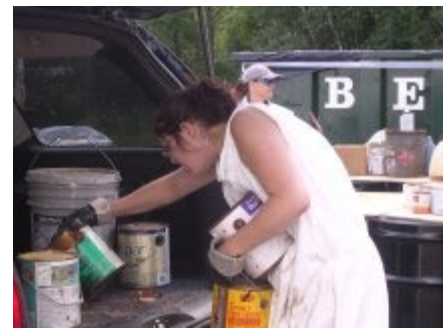

Who can bring Household Hazardous Products to these collections?:

Residents and taxpayers of **Alexandria, Andover, Belmont, Bridgewater, Bristol, Center Harbor, Effingham, Franklin, Freedom, Gilford, Gilmanton, Hebron, Hill, Holderness, Laconia, Meredith, Moultonborough, New Hampton, Northfield, Ossipee, Sanbornton, Sandwich, Tamworth, and Tilton** are eligible and encouraged to bring their hazardous waste products to any of the collection sites.

What is household hazardous waste?:

Hazardous Waste in the Home!

Many common products used in the home, garden, lawn, and garage are considered hazardous. If a product is flammable, reactive, or explosive when mixed with other substances, or is corrosive or toxic, then it is considered hazardous. Read

the label! Products containing hazardous material should say "poison", "toxic", or "danger".

Common Household Hazardous Waste

How we dispose of common household products depends on the product's contents and its toxicity to people, animals, and the environment. Some material, if entirely used, can be placed in the landfill, other items can be recycled, but the majority should be taken to a Household Hazardous Waste (HHW) Collection Site.

Nature-Fitness Trail Nears Completion

Congratulations to Bob Barry, Volunteer Engineer, who led the Nature-Fitness Trail installation and completed it in record time, with able assistance from many town volunteers, town departments, and county workers. And they all slugged through some of the worst humid weather we've had in years. All 20 fitness stations are done. There is still lots of finishing work and we will be looking for more volunteers to rake/clip the roadway of debris and roots and the area surrounding each of the stations and of course the Pemigewasset River overlook. These areas will also be eventually rimmed with bark mulch. Signage will be installed at each station recognizing the donors. Josh Simpson, of Meredith, a Senior Boy Scout has delivered two kiosks he made for his Eagle project. Those kiosks will soon be installed.

The trail will soon be leveled and ledge pack will be installed across the main trail. Please call the office if you are available to assist. 744-3559 or 744-7921 (Bob Barry)
